### **Questions for GROUP DISCUSSION**

- What does being a "Good Soldier/Athlete/Farmer" look like for our daily faith walk compared to those in biblical days? (I.e. Modern conveniences, busier schedule, etc.)
- Sometimes obedience requires us to choose between good, better & best. Why is this sometimes a difficult process for us as believers?
- Read 1 Tim. 2:7. What does Paul mean when he writes, "...the Lord will give you understanding in everything"? In what ways do we receive understanding?
